The Yaesu FT-450

by the Yaesu FT-450 It's no heavyweight and would make an ideal transceiver for a holiday or DXpedition The only addition would be a 12V power supply capable of 25A, that would increase the overall weight But when you see the specifications of the FT-450, it really is quite amazing how it all fits into a space that is 229 x 84 x 217mm and
